DEALER BULLETIN

ALLOWABLE VEHICLES FOR STUDENT TRANSPORTATION

In 1997 Federal laws were passed prohibiting dealers from selling larger passenger vehicles (11 to 15 occupants, including the driver) to be used to transport preprimary, primary and secondary school students to school from home and/or from home to school or school related events.

At the same time Vermont law required Types I and II school buses be in compliance with Federal Motor Vehicle Safety Standards for school buses as of the date of manufacture.

Disallowing these nonconforming vehicles for student transportation did leave a void. That void was filled in 2005 when the Vermont legislature passed laws allowing another class of vehicle to take the place of these vans for student transportation. These vehicles, multifunction school activity buses, meet all the safety standards of a school bus, but are not equipped with school bus signs or lights. While these vehicles cannot be used to transport students to and or from school, they can be used to transport students to school related activities.

Because we are finding a number of schools have purchased nonconforming vans and are transporting students in violation of the law, we want to remind you of the following.

Vehicles being sold to be used for student transportation, with a manufacturers rated seating capacity of more than 10 including the operator, must be school buses or multifunction school activity buses.

While smaller vehicles can be sold and used to transport students, operators will need to have the proper endorsements on their licenses and the vehicles will need to be equipped with a school bus sign and a simple light system.

For more information on nonconforming vans you can visit the National Highway Transportation Safety Administrations' website at www.nhtsa.dot.gov

If you have any questions on these requirements please feel free to contact the Department of Motor Vehicles School Bus Safety Office.

Vermont Motor Vehicle Titles, TA-VT-01

As of early August 2008 the Department of Motor Vehicles is using a new Title. The Title is from a new vendor and has a few changes. Most obvious of these changes is the Title is now green.

The new Titles will eventually have bar codes on them. This will be one of the many new features coming as a result of VTDrives, which is a major upgrade of the DMV computer system.

Not all Titles printed in August will be printed on the new Titles. Depending on where and when they are printed it is entirely possible they will be printed on either the existing brown Title or on the new green Title. By early September we will have depleted our stock of the older Titles and all Titles will be printed on the new forms.

Additionally the Title contains the following features,

- ✓ Full Chemical Sensitivity
- ✓ Visible and Invisible Security Fibers
- ✓ Standard Toner Anchorage Feature
- ✓ Document Border
- ✓ Copy Void Pantograph
- ✓ Complex Security Background Design
- ✓ Sequential Control Numbers
- ✓ Safety Block—A 10% screen of erasure sensitive ink shall be printed in the odometer reading block.
- ✓ Prismatic Color Background

Questions:

If you have any additional questions, please call the DMV Dealer Unit at 802-828-2038.

DEALER BULLETIN
- Lease Acquisition Fees -

December 3, 2008 **08-03**

A question has arisen regarding the calculation of purchase & use tax on leased vehicles. For clarification, Lease Acquisition Fees cannot be factored in when calculating a vehicle's purchase & use tax. The net taxable cost should equal the dollar amount the vehicle would be worth if purchased by a customer that same day.

Documentation fees can be factored in when calculating purchase & use tax, as this fee is considered part of the vehicle's total cost.

If you have questions regarding this bulletin, please contact the Vermont Department of Motor Vehicles Dealer Unit at 802-828-2038.

VERMONT DEPARTMENT OF MOTOR VEHICLES
ENFORCEMENT & SAFETY DIVISION
Standard Operating Procedure

CATEGORY: Dealers

POLICY DESCRIPTION: Dealer Temporary Display Applications

STATUTE REFERENCE: 23 VSA §451(b) "Dealer's Certificate"

EFFECTIVE DATE: 05-27-08

This standard operating procedure applies to **all** licensed new and used car / truck, trailer and motorcycle dealers.

With prior approval from the Commissioner of Motor Vehicles or designee, Vermont dealers may display vehicles on a temporary basis, **but in no instance for more than 10 days**, at fairs, shows, exhibits and other off-site locations. New car dealer off-site displays **must be within the dealer's manufacturer's stated area of responsibility in their franchise agreement.** If there is any question related to franchise agreements, a new car dealer may be required to submit a copy of its manufacturer's franchise agreement to the department prior to approval. No vehicle sales may be transacted at a temporary off-site display location.

Applicants for an off-site display must submit an approved application to the Commissioner of Motor Vehicles or designee, no less than **two business days** prior to the first day for which approval is requested. Dealers in violation of this policy are in violation of statute and may be ticketed per 23 VSA §451(b). Upon reaching the end of an approved temporary display permit term; the affected dealer **must remove all displayed vehicles** from the approved temporary display location. A **minimum of 24-hours** must elapse before a dealer can re-apply to display vehicles at the same location. The Commissioner of Motor Vehicles or designee will evaluate the approval of subsequent temporary display applications on a case-by-case basis.

For the purposes of this policy, **display** shall mean to "exhibit," only. No test-driving of **any** vehicle is permitted at any time during a temporary off-site display. All test-driving and potential subsequent vehicle sales must take place at a dealer's approved place of business.

ACT 50 (H.438) ~ AN ACT RELATING TO THE STATE'S TRANSPORTATION PROGRAM

The following is a description and explanation of the provisions of ACT (H. 438) ~ An Act Relating To The State's Transportation Program.

FEE CHANGES

As a result of this Act, a number of Department of Motor Vehicle fees will increase. Included in this bulletin are help sheets for all the DMV fee changes that will or may affect your dealership.

These help sheets include the following information:

- Type of Fee
- Old Fee
- New Fee
- DMV Forms Affected by the Fee Change

Help Sheets Included (in order of appearance):

- H.438 Fee Changes
- Truck Fee Schedule
- Prorated Fee Schedule - Please keep in mind you will need to keep the prior version of the prorated fee schedule through 2011 for purposes of giving credit for weight changes, fuel changes, etc.
- List and Description of Forms Revised as a Result of H.438

The fees that have changed, that will or may affect dealers, are:

- **Registration Fees**
  - Pleasure Car/Truck
  - Trucks (6,100 lbs. and over)
  - Motorcycle
  - Trailer
  - Transfer
  - Duplicate
  - Snowmobile
  - Duplicate Snowmobile
  - Motorboat

- **Plate Fees**
  - Vanity / Special Plate
  - Conservation Plate

- **Vehicle Title & Lien Fees** – Motor Vehicle, Motorboat, Snowmobile & ATV
  - New
  - Transfer
  - Duplicate
  - Corrected
  - Salvage
  - Surrender of Distinctive Title
  - Lien Release
  - Lien Fees

- **Purchase & Use Tax (Max Tax)** – Increase of the maximum tax on a truck registered for more than 10,099 lbs.

- **Intransit Plates**

NEW AS OF JULY 1, 2009 ~ Two-Wheeled ATV's & DMV Warranty Fee

- **ATV – Two-wheeled ATV's**

23 V.S.A. § 3501 (5)

(5) "All-terrain vehicle" or "ATV" means a nonhighway recreational vehicle, except snowmobiles, having no less than ~~three~~ two low pressure tires (10 pounds per square inch, or less), not wider than 60 inches with two-wheel ATVs having permanent, full-time power to both wheels, and having a dry weight of less than 1,700 pounds…

This section of H.438 adds 2-wheel vehicles to the definition of ATV's. A two-wheel ATV must have permanent, full-time power to both wheels. If a 2-wheel vehicle does not have full-time power to both wheels it can not be registered as an ATV. A two-wheeled ATV is not an off-road motorcycle.

- **One Registration Sticker**

23 V.S.A. § 305

(c) The commissioner may issue number plates to be used for period of two or more years. ~~Validating Stickers~~ One validating sticker shall be issued by the department of motor vehicles upon payment of the registration fee for the second and each succeeding year the plate is issued. No plate is valid for the second and succeeding years unless the ~~stickers are~~ sticker is affixed to the rear plate in the manner prescribed by the commissioner.

All vehicles that are issued two plates will receive one registration sticker, which needs to be placed on the REAR plate to be legal. All vehicles that are issued two plates will still receive two plates.

- **DMV Warranty Fee** – $5.00 fee added to the purchase of a new vehicle registered in Vermont.

23 V.S.A. § 476

A motor vehicle warranty fee of $5.00 is imposed on the registration of each new motor vehicle in this state not including trailers, tractors, motorized highway building equipment, road making appliances, snowmobiles, motorcycles, mopeds, or truck with a gross vehicle weight over 12,000 pounds.

The DMV Warranty Fee of $5.00 has been added to the Registration Application. The warranty fee does not include any of the vehicles listed above. The warranty fee is for new vehicles (with MCO or MSO) only, purchased in Vermont or another state but only when the vehicle is registered in Vermont.

Please note:

23 V.S.A. § 4(62)
"New motor vehicle" means a vehicle that is being registered or titled for the first time.

ACT 55 (S.26) ~ AN ACT RELATING TO RECOVERY OF PROFITS FROM CRIME, THE DISPOSITION OF PROPERTY UPON DEATH, TRANSFER OF INTEREST IN VEHICLE UPON DEATH, HOMESTEAD EXEMPTION, UNCLAIMED PROPERTY, CREDIT CARD FEE DISPUTES, AND PATIENT'S PRIVILEGE

The following is a description and explanation of the provisions of S.26 ~ An act relating to recovery of profits from crime, the disposition of property upon death, transfer of interest in vehicle upon death, homestead exemption, unclaimed property, credit card fee disputes, and patient's privilege

TRANSFER OF INTEREST IN VEHICLE

Where the title identifies a person who will become the owner upon the death of the titled owner (transfer on death), the titled owner shall have all rights of ownership and rights of transfer until his or her death. The designated transferee shall have no rights of ownership until such time as the titled owner has died as established by a valid death certificate. At that time, the transferee shall become the owner of the vehicle subject to any existing security interests.

Transfer of vehicle upon death of registered owner will be subject to Registration, Tax & Title fees. The new owner will be required to obtain new plates and will be subject to tax unless exempt as defined under 32 V.S.A. § 8911.

TOD (Transfer on Death) has been added the Registration Application (Form # TA-VD-119) in section 4B.

Phone Number & Email Address:

4B MUST INDICATE RIGHTS OF SURVIVORSHIP (CHECK ONE BELOW) IF NO BOX IS CHECKED "JOINT TENTANTS" WILL BE SELECTED
☐ SPOUSES ☐ JOINT TENANTS ☐ TENANTS IN COMMON ☐ PARTNERS (business) ☐ TOD (Transfer on Death)

5A NAME OF LIENHOLDER (a) DATE OF BIRTH (f) (if individual)

5B NAME OF PERSON/COMPANY VEHICLE ACQUIRED FROM (a) DATE PURCHASED (b)

MAILING ADDRESS - STREET, CITY, STATE, ZIP CODE (b) IF NO LOAN ☐ ADDRESS OF PERSON/COMPANY VEHICLE ACQUIRED FROM (c)

All forms with "Relationship" will be updated as new orders are placed. If using a form which does not yet have the "TOD" option, write "TOD" in the "Relationship" section of the form. New form, TA-VT-07 ~ Notification of Transfer on Death, must accompany any registration application where the Transfer on Death option is selected. There is no requirement the individuals be related in any way.

Registration must be to an individual (not a business).

Title will display "Transfer on Death" below owners name and address along with the name of the individual designated.

ACT 39 (S.67) ~ AN ACT RELATING TO MOTOR VEHICLES

The following is a description and explanation of the provisions of S.67 ~ AN ACT RELATING TO MOTOR VEHICLES.

23 V.S.A. § 2083 is amended to read:

§ 2083. OTHER OFFENSES

(b) A person shall not willfully fail to deliver to his or her transferee a certificate of title within 10 days after the transfer. A person who violates this subsection commits a traffic violation and shall be assessed a civil penalty of not more than $1,000.00.

Under previous law if a person fails to deliver the certificate of title to the transferee within ten days after the transfer, they are subject to a misdemeanor criminal, involving a jail sentence of up to two years and/or a fine of up to $2,000.

This change extends the time period from ten days to twenty days for the offense to be a crime. It also would allow law enforcement officers to issue a civil ticket if the seller does not provide the certificate of title to the new owner within ten days.

23 V.S.A. § 3833 is added to read:

§ 3833. DISMANTLING OR DESTRUCTION OF VESSELS, SNOWMOBILES, OR ALL-TERRAIN VEHICLES

(a) Except for vessels, snowmobiles, or all-terrain vehicles for which no certificate of title is required pursuant to section 3807 of this title, any person who purchases or in any manner acquires a vessel, snowmobile, or all-terrain vehicle as salvage who scraps, dismantles, or destroys a vessel, snowmobile, or all-terrain vehicle or any insurance company or representative of an insurance company who declares a vessel, snowmobile, or all-terrain vehicle to be a total loss shall make application for a salvage certificate of title within 15 days of the time the vessel, snowmobile, or all-terrain vehicle is purchased or otherwise acquired as salvage, scrapped, dismantled, or destroyed, or declared a total loss. The application shall be accompanied by:
(1) any certificate of title; and
(2) any other information or documents that the commissioner may reasonably require to establish ownership of the vessel, snowmobile, or all-terrain vehicle, and the existence or nonexistence of any security interest in the vessel, snowmobile or all-terrain vehicle.
(b) When a vessel, snowmobile or all-terrain vehicle is destroyed by crushing for scrap, the person causing the destruction shall immediately mail or deliver to the commissioner the certificate of title, if any, endorsed "crushed" and signed by the person, accompanied by the original plate showing the original identification number. The plate shall not be removed until such time as the vessel, snowmobile, or all-terrain vehicle is crushed.

(c) This section shall not apply to, and salvage certificates shall not be required for, unrecovered stolen vessels, snowmobiles, or all-terrain vehicles or vessels, snowmobiles, or all-terrain vehicles stolen and recovered in an undamaged condition, provided that the original vessel, snowmobile, or all-terrain vehicle identification number plate has not been removed, altered, or destroyed, and the number on the vessel, snowmobile, or all-terrain vehicle is identical with that on the original title certificate.

23 V.S.A. § 3834 is added to read:

§ 3834. ISSUANCE OF SALVAGE TITLE

The commissioner shall file and maintain in the manner provided in section 3010 of this title each application received and when satisfied as to its genuineness and regularity and that the applicant is entitled to the issuance of a salvage certificate of title, shall issue a salvage certificate of title to the vessel, snowmobile or all-terrain vehicle.

23 V.S.A. § 3835 is added to read:

§ 3835. SALVAGED, TOTALED, AND REBUILT VESSELS, SNOWMOBILES, OR ALL-TERRAIN VEHICLES

(a) If a vessel, snowmobile, or all-terrain vehicle upon which a salvage certificate of title, a parts-only certificate, or other document indicating the vessel, snowmobile, or all-terrain vehicle is not sold for reregistration purposes has been or should have been issued by the commissioner, or by any other jurisdiction or person or both, a vessel, snowmobile, or all-terrain vehicle that has been declared totaled is rebuilt and restored for operation, the owner shall not apply for a certificate of title or registration, and none shall be issued until the vessel, snowmobile, or all-terrain vehicle has been inspected by the commissioner or his or her authorized representative. The inspection of the vessel, snowmobile, or all-terrain vehicle shall be conducted in the manner prescribed by the commissioner and shall include verification of the identification number and bills of sale or titles for major component parts used to rebuild the vessel, snowmobile, or all-terrain vehicle. When necessary, a new identification number shall be attached to the vessel, snowmobile, or all-terrain vehicle as provided by section 2003 of this title. Any new title issued for these vessels, snowmobiles, or all-terrain vehicles shall contain the legend "rebuilt vessel, snowmobile, or all-terrain vehicle."

(b) Any person who sells, trades, or offers for sale or trade to a prospective purchaser any interest in a salvaged, salvaged and rebuilt, or totaled vessel, snowmobile, or all-terrain vehicle shall disclose the fact that the vessel, snowmobile, or all-terrain vehicle has been salvaged, salvaged and rebuilt, or totaled both orally and in writing before a sale, trade, or transfer is made. Written disclosure that the vessel, snowmobile, or all-terrain vehicle has been salvaged, salvaged and rebuilt, or totaled, in addition to being disclosed on the certificate of title as required by this subchapter, shall also be conspicuously disclosed on any bill of sale, transfer, purchase, or other agreement.

(c) Failure of the seller to provide the notices required by this section shall result in the seller being required, at the option of the buyer, to refund to the buyer the purchase price, including taxes, license fees, and similar governmental charges.

Department of Motor Vehicles
Agency of Transportation

120 State Street
Montpelier, Vermont 05603-0001
(voice) 802.828.2000
dmv.vermont.gov

23 V.S.A. § 3836 is added to read:

§ 3836. RECORDS; INSPECTION

(a) Each person who purchases or in any manner acquires a vessel, snowmobile, or all-terrain vehicle as salvage shall keep and maintain for a period of not less than five years such records as may be prescribed by the commissioner which are reasonably necessary to substantiate the information contained in the application required by sections 3840 and 3842 of this title. These records shall include, but are not limited to, parts and accessories obtained and used for the repair or rebuilding, or both, of a vessel, snowmobile, or all-terrain vehicle, and such financial records that will allow the commissioner to determine if the person qualifies to become or remain licensed as a "salvage dealer."
(b) The commissioner, or his or her agents, may inspect and examine the books, records, premises, and vehicles on the premises of any salvage dealer during the usual business hours of the day to verify the truth and accuracy of any information furnished in connection with the provisions of sections 3833 and this section of this chapter.
(c) Any salvage dealer who in any manner receives a vessel, snowmobile or all-terrain vehicle which does not have a plate attached to the vessel, snowmobile, or all-terrain vehicle bearing the vehicle identification number shall notify the commissioner in writing that such a vessel, snowmobile, or all-terrain vehicle has been received within seven days.

23 V.S.A. § 3837 is added to read:

§ 3837. PENALTY

(a) A person who violates any provision of section 3836 of this chapter shall be fined not more than $500.00 or imprisoned for not more than six months, or both.
(b) A person who violates section 3833 or 3835 of this chapter shall be fined not more than $1,000.00 or imprisoned for not more than one year, or both.

23 V.S.A. § 3801(22), (23), (24), and (25) are added to read:

(22) "Salvage dealer" means any person who, in a single year, purchases or in any manner acquires at a minimum three vessels, snowmobiles, or all-terrain vehicles as salvage or who scraps, dismantles, or destroys at a minimum three vessels, snowmobiles, or all-terrain vehicles in a single year.
(23) "Rebuilt vessel, snowmobile, or all-terrain vehicle" means a vessel, snowmobile, or all-terrain vehicle upon which a salvage certificate of title, parts-only certificate, or other document indicating the vessel, snowmobile, or all-terrain vehicle is not sold for reregistration purposes, has been issued and which has been rebuilt and restored for operation.
(24) "Salvaged vessel, snowmobile, or all-terrain vehicle" means a vessel, snowmobile, or all-terrain vehicle which has been scrapped, dismantled, destroyed, or declared a total loss by an insurance company.
(25) "Totaled vessel, snowmobile, or all-terrain vehicle" means a vessel, snowmobile, or all-terrain vehicle which has been declared a total loss by an insurance company.

DEALER BULLETIN

Release of Security Interests

June 29, 2009 **2009-02**

As you aware, Vermont law requires licensed dealers to transfer ownership of a vehicle to a buyer only when they have in their possession the certificate of title. It is unlawful for a dealer to transfer ownership of a vehicle without being in possession of the certificate of title *(23 VSA §2024)*.

In recent months, the Vermont Department of Motor Vehicles Enforcement Division has been made aware of a recurring problem involving lienholders failing to deliver certificates of title to you within a timely manner after the lien payoff has been made. We understand this can be frustrating, especially in the current market. Vermont law requires a lienholder to execute the release of security interest and send the certificate of title to you within 30 days *(see 23 VSA §2045(a)*. This statute is difficult for us to enforce, however, because the penalty is a criminal one, punishable by a fine and imprisonment. In most cases, certificates of title are held by financial institutions, many of which are not even based in Vermont. It is unlawful for a lienholder to withhold a certificate of title from you after the lien has been satisfied and we understand having a vehicle in your inventory which you cannot lawfully sell is disheartening. In an effort to help resolve this matter, we have been in touch with representatives of the Vermont Auto Dealer's Association and the Vermont Department of Banking & Insurance to discuss possible legislative changes, which could help resolve this issue.

The Vermont Department of Banking & Insurance understands this problem and is willing to help. If you have an interaction with a lienholder who withholds a certificate of title beyond the time outlined in Vermont statute, please notify our office and we will act as a clearinghouse to formalize your complaint with the Department of Banking & Insurance. They in turn have the ability to sanction the specific financial institutions regarding their ability to conduct business in our jurisdiction. The goal of course is compliance with the law, so as dealers you will not be forced to hold inventory for any extended period of time.

To file complaints on a specific lienholder, please fill out and submit the following form to the Vermont Department of Motor Vehicles' Dealer Unit at the address below. If you have questions regarding this bulletin, please call the Dealer Unit at 802-828-2038.

DEALER BULLETIN

- Dealer Fees and Purchase & Use Tax -

October 19, 2009 **09-04**

The purpose of this bulletin is to clarify questions regarding dealer fees and how they relate to purchase and use tax calculation.

A dealer may charge a fee for services related to the preparation and handling of documents, commonly known as a documentation fee. This fee must be included in the overall purchase price and **is subject** to purchase and use tax, regardless of whether or not a vehicle is financed.

The costs affiliated with dealer preparation and delivery shall be considered part of a vehicle's purchase price and **are subject** to tax.

Lease Acquisition Fees **cannot** be factored in when calculating a vehicle's purchase and use tax. The net taxable cost should equal the dollar amount the vehicle would be worth if purchased by a customer that same day.

The cost of extended warranties **cannot** be considered part of a vehicle's purchase price, therefore shall not be subject to tax.

Per 9 VSA §42, fees related to the preparation of loan documents and financing are **not** permissible charges.

If you have questions regarding this bulletin, please contact the Vermont Department of Motor Vehicles Dealer Unit at 802-828-2038 or your area Field Inspector.

DEALER BULLETIN

June 15, 2010 **Bulletin 10-01**

Law Changes Pertaining To Dealers & Inspections

This bulletin serves to notify you of upcoming changes in Vermont law resulting from this past legislative session, along with pending changes to the Vermont Periodic Inspection Manuals. Many of these changes were made after receiving input from the Vermont Auto Dealers Association.

Effective July 1, 2010

Dealers now have **15 calendar** days to forward documentation for a vehicle sale to the Commissioner *(i.e. – Registration, Tax & Title Application, Certificate of title, etc.)*. Previously, the law required this to occur within 3 business days.

Effective July 1, 2010

The minimum amount for a dealer surety bond has increased to the following:

Previous Bond Requirements *(no longer applicable)*:

New Dealer Applicants - $15,000.00
Less than 25 vehicles - $5000.00
25 to 100 vehicles - $7,500.00
101 to 250 vehicles - $10,000.00
251 or more vehicles - $15,000.00

New Bond Requirements:

New Dealer Applicants - $35,000.00
Less than 25 vehicles - $20,000.00
25 to 100 vehicles - $25,000.00
101 to 250 vehicles - $30,000.00
251 or more vehicles - $35,000.00

Effective July 1, 2010

All light trailers weighing up to 1500 lbs. are no longer required to be inspected; they are now exempt. Trailers in this class, when drawn on a public highway, are still required to be in good mechanical condition and meet all applicable trailer standards as outlined in the periodic inspection manual for trailers in this class. It is the owners' responsibility to ensure their trailers meet these safety requirements.

Effective September 1, 2010

The definition of moped will change to Motor Driven Cycle *(MDC)*. These vehicles are no longer required to have pedals for propulsion *(now optional)*, can have a maximum piston or rotor displacement of up to 50cc *(cubic centimeters)*, cannot exceed 30 miles per hour on a level road surface and must be equipped with a power drive system that functions directly or automatically only, not requiring clutching or shifting by the operator. Prior to this legislation, some vehicles fitting this classification were required to be registered as motorcycles; this is no longer the case. These vehicles must now be inspected in the same manner as prescribed for mopeds.

Inspection Manual Changes

All three Vermont Periodic Inspection Manuals have undergone extensive review and revision. Prior to becoming Administrative Rule, there will be a review from a legislative committee, followed by a public hearing *(Scheduled - August 30, 2010)* and a subsequent review from a separate legislative committee. For your perusal and potential input, we will be posting the drafts for the Car / Truck / Trailer / Heavy Truck & Bus Manual, Motorcycle / Motor Driven Cycle Manual *(formally moped)* and the School Bus Manual on our website. The manuals will be posted for your convenience and the proposed changes have been cited in a way to make them easily distinguishable from the current wording.

If you would like to review and / or comment on the proposed inspection manual changes, you may do so on-line. Please keep comments you may have as brief and specific as possible. The time period for on-line review will take place from **Monday, August 2nd** through **Friday, September 10th**. The manuals can be reviewed and commented on via the Vermont DMV website accessible at the following address:

http://dmv.vermont.gov/dmv_info/rules

Should you have questions regarding this bulletin, please telephone the Vermont Department of Motor Vehicles Dealer Unit at 802-828-2038 or your area DMV Field Inspector.
