

Vermont Application for License or Permit (Non-Commercial)

You must complete, and submit, both pages of the application

To renew by mail send with payment to; Vermont DMV, 120 State Street, Montpelier Vermont 05603-0001

Available License types:

- **Real ID:** A Real ID license meets Federal standards for issuance. Real ID is required for flying on commercial aircraft and to access certain federally controlled facilities (federal courts, federal buildings, military bases).
- **Privilege Card (DPC):** A DPC is marked “Not for Federal Identification” and is NOT Real ID compliant. Issuance of the DPC does not require proof of legal presence or US citizenship.
- **Enhanced (EDL):** An EDL is a Real ID compliant card with the added benefit of being a convenient border crossing document for U.S. citizens returning home from Canada, Mexico, the Caribbean or Bermuda, by land or sea. Must be Vermont resident AND U.S. Citizen.

NOTE: All original issue (first time) licenses must be applied for in person at a DMV office. Application must bear the personal signature of the applicant **and** signature must be in ink. If the applicant is under age 18, the written consent of the applicant's parent, legal guardian, or other person standing in loco parentis will be required.

Regardless of whether you are a new applicant or current card holder, you must bring the same types of documents. New applicants and current Driver's License and ID card holders must present the required documents from each of these four categories.

1. Identity and date of birth (If undocumented see dmv.vermont.gov for ID requirements)

Must provide one of the following:

2. Lawful status in the United States

The documents required for proof of identity and date of birth will also establish lawful status in the United States in most cases, provided the Vermont DMV is able to authenticate and verify the documents under existing and available verification systems. Foreign nationals must provide a passport and visa, alien registration receipt card (green card), or other proof of legal presence for inspection and copying.

3. Social Security number

Present your Social Security card. If your Social Security card is not available one of the following forms may be used in its place: W-2 form, SSA-1099 form, pay stub showing name and SSN (minimum of last 4) or a letter from the Social Security Administration indicating ineligibility to receive a Social Security number.

Boxes), utility bill (must list service address), property tax bill with physical location, signed lease, Homeowners/renters insurance (policy/proof of claim), Vermont EBT or Vermont AIM identification card.

NOTE: Your name must verify with Social Security Administration (SSA). If there have been multiple changes to your name, you must provide documentation to prove the continuity of the names. For example: marriage or civil union certificate (certified copy issued by town/city), marriage or civil union dissolution or probate court name change document.
